StarPass Family Terms of Use – 2026/2027 Season

1. Purpose of the Offer

StarPass Family entitles members of a Family Group who meet the requirements set out in these terms to a 50% discount on the MyPass Ski standard rates for each ski pass used once the applicable group spending threshold has been exceeded.

The spending threshold is determined as follows:

- **Family Group consisting of 3 skiers:** €1,400.00;
- **for each additional skier**, excluding Children*, the threshold is increased by €400.00.

Individuals included in the family plan who fall within the **Children*** category are entitled to free access, including when unaccompanied.

2. Composition Requirements for Family Groups

To qualify for StarPass Family, the Family Group must meet the following requirements:

- consist of a minimum of **3** and a maximum of **8 skiers**;
- include at least:
    - **1 Under 24 skier** for Family Groups of 3 to 5 skiers;
    - **2 Under 24 skiers** for Family Groups of 6 to 8 skiers;
- include at least:
    - **1 Adult skier** for Family Groups of 3 to 5 skiers;
    - **2 Adult skiers** for Family Groups of 6 to 8 skiers;
- be activated by **31 December** of the relevant season.

For the purposes of these terms:

- **Under 24** means the Children*, Junior* and Under 24* categories;
- **Adult** means the Adult, Senior* and Super Senior* categories.

3. Conditions for the Application of the Discount

The StarPass Family discount applies exclusively when all the following conditions are met:

- each skier included in the family plan must have recorded at least **3 days of access** during the relevant season;
- the total amount paid for ski passes by the skiers included in the family plan – considering both the summer and winter seasons - must exceed the applicable spending threshold;
- the ski pass that triggers the threshold is charged at full price;
- ancillary charges relating to the ski pass - such as insurance, subscriptions, deposits or penalties – do not count towards the spending threshold;
- the discount is granted exclusively from the date the Family Group is defined and from the moment all applicable conditions have been fully met.

For the purpose of calculating total expenditure and days of access, the visits recorded before the definition of the Family Group are also taken into account; in any case, the discount does under no circumstances apply retrospectively.

4. Compatibility with Other Discounts and Benefits

The StarPass Family discount cannot be combined with any other discount or benefit associated with an individual StarPass. Where more than one discount or benefit would otherwise apply, the option providing the greatest economic advantage to the customer applies.

5. Activation and Validity of the Family Group

5.1 Definition of the Family Group

The Family Group can be registered only once per season and, in any case, no later than **December 31**. Each skier can be included in only one StarPass Family plan during the same season. Once registered, the composition of the Family Group cannot be changed until the following season.

5.2 Validity Period

The StarPass Family plan is valid only for the relevant season and does not automatically renew, unless it is confirmed or reactivated in accordance with the procedures and deadlines established for the following season. For the purposes of these conditions, **season** means the entire period comprising both the summer and winter seasons.

5.3 Activation via MyPass Ski

The Family Group can be registered exclusively through the **MyPass Ski** application, in the section dedicated to season passes. All skiers included in the plan must have an active service for the current season. Registration for the family plan is contingent upon the completeness, accuracy and verifiability of the information required by the MyPass Ski platform, including, where applicable, a photograph, tax code and any documentation required to prove eligibility for discounted rates.

6. Acceptance of the Terms and Reference to the General Terms and Conditions

Confirmation of the StarPass Family plan constitutes full acceptance of these Terms of Use. A copy of the accepted Terms will be sent to the email address associated with the MyPass Ski account.

Any matter not expressly covered by these Terms of Use is subject to the MyPass Ski General Terms and Conditions of Sale, available at https://mypass.ski/.

Note:

* The dates of birth used to determine the age categories specified in these terms are those published by the SkiArea Madonna di Campiglio through its official channels and price lists and also displayed on the MyPass Ski portal.
